## THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Events of Yesterday.

Merrill William Dickson, J. L. Barbour, Samuel Norment, and others called on the commissioners yesterday and asked to be allowed to string wires on the streets.

Charles Mitchell, Robert Barton, and Robert Magruder were on trial in the police court yesterday for stealing from Mr. Connel's grocery, corner First and H streets northwest. Magruder was dismissed, and the others sentenced to thirty days in jail.

Building permits were issued yesterday to John White, erect two two-story and basement dwellings, E. between Twenty-second and Twenty-third streets northwest, \$6,000. S. H. Walker, erect six two-story and basement dwellings, B street, between Fifth and Sixth streets northeast, \$15,000. W. T. Hutchinson, erect a two-story and basement dwelling, Fifth street, between A and B streets northeast, \$3,000. Mrs. Robert Campbell, remove and repair frame, northeast corner Second and I streets southeast, \$100. J. J. Brown, erect two two-story dwellings on north H street, between Delaware avenue and Second street northeast, \$1,100. W. C. Morrison, repair brick 1733 Fourteenth street northwest, \$500.

An Indian boy wanted to hang himself after seven school girls had kissed him. He didn't "all the same," for he found the dread disease was caused by a cold, which was speedily cured by the immediate use of Dr. Bull's Cough Syrup, which is known far and wide as a great remedy for coughs and colds.

### Taking Episcopal Charities.

The commissioners have sent to Attorney Riddle the following case for adjudication: Dr. Pare and others hold in trust real estate for "the occupancy of the apartments therein by poor widows, members of the Protestant Episcopal church, upon payment of a small rent therefor, which rents are to be used to keep and extend the house. The question submitted is whether this institution is a public charity" and "conducted without charge to the inmates." The commissioners say that Providence hospital, which makes charge for some inmates, is exempt under the act, which continues all exemptions existing in 1875, but charitable institutions established since that date are not exempt unless conducted without charge to the inmates.

### An Invaluable Article.

An article like Ely's Cream Balm has long been desired, and now that it is within the reach of sufferers from Catarrh, Hay Fever, and Cold in the head, there is every reason to believe they will make the most of it. Dr. W. E. Buckman, W. E. Hamman, dress, and other Easterners have given it a trial, and all recommend it in the highest terms. —*Eastern (Pa.) Daily Argus.* (Price, 50 cents.)

### Eagleton Division.

Eagleton Division, No. 17, Sons of Temperance, held its regular meeting on Wednesday February 6, and after some routine business the doors were thrown open for the purpose of giving a pound party for the benefit of the poor of the district, and the result was 100 packages, which were turned over to the committee appointed for that purpose, after which the following interesting programme was rendered: Remarks by William J. Boyd, P. G. W. A.; recitations by Miss Mary Johnson; duet by Miss Carrie Hill and Katie Lewis; cornet solo by L. R. Boyd; recitation by Miss Carrie Ayrd; duet by the Misses Johnson and Dugan, two little girls; duet by Mrs. Anna L. Scott and Bessie Wilson.

ATTENTION is called to the advertisement of the Chesapeake and Ohio railway, of second page, that they are open O. K. for western travel and are unaffected by high water.

### The Ladies' Union.

The Ladies' union, a charity association, held a meeting yesterday at the residence of Mrs. Wright, on Tenth street, Mrs. Carrie A. Riddle in the chair. Owing to the inclemency of the weather the attendance was small, and only routine business was transacted, the better part of the afternoon being spent in making garments, which are sold for the benefit of the poor of this city. This organization is about two years old, and has assisted on an average ten people weekly since its creation. The officers of the association are Mrs. C. A. Riddle, president; Mrs. Dr. Mayhew, vice president; Mrs. R. J. McAlister, treasurer; Mrs. H. F. Wright, secretary.

WHEN one is sick advice is plenty, but not always the best. A good rule is to accept only such medicines as after long years of trial have proved worthy of confidence. This is a case where other people's experience is of great service, and it has been the experience of thousands that Ayer's Cherry Pectoral is the best cough medicine ever used.

### The Froebel Institute.

"Visitor's day" at the fifth grade of the Froebel institute attracted a select audience on Wednesday. The usual course observed on such occasions was varied by an interesting discussion following the children's exercises regarding the merits and possible disadvantages of the Froebel system of education. Prof. Riley, Mrs. Horner, Mrs. Lamberton, Mrs. Benet, Mrs. Goss, Miss Kimball, Mrs. Senator Jackson, Mrs. Harrington, and others taking part. A collation to their parents and friends by the children brought the entertainment to a close.

BALTIMORE, MD.—Dr. Irwin H. Elderidge says: "I would recommend a trial of Brown's Iron Bitters in all cases of anemic debility or when a tonic or appetizer is indicated."

### The American Fishermen Models.

The life-size models of "American Fishermen," representing the oyster fisheries of the Chesapeake, the cod and salmon fisheries, &c., which took a number of prizes at the London fish exposition, were badly broken on the return voyage. They are now being repaired by Mr. Hendley, of the national museum, and are destined to form a permanent and interesting feature of that institution.

THE Excesses of Youth are drafts upon Old Age payable with interest. Sufferers should immediately use Allen's Brain Food—\$1; 6 or \$6. At druggists.

### The Robbery of Mr. Hanson.

The trial of William Sweeney and John Herritz, for highway robbery of John L. Hanson, consumed yesterday's session of the criminal court. Several witnesses were examined, and the accused denied the charge. The attorneys completed their arguments, but the judge did not charge the jury, as the hour was late when the counsel concluded.

### More Thefts.

Robberies were reported at police head quarters yesterday as follows: An overcoat, valued at \$20, from John McDonald; Robert Cook, National hotel; rubber mats from C. B. Bailey and E. V. Murphy; clock from William Huthinson at 310 G street northwest; a set of chickens from Mrs. Cavanaugh, at No. 28 I street northwest.
